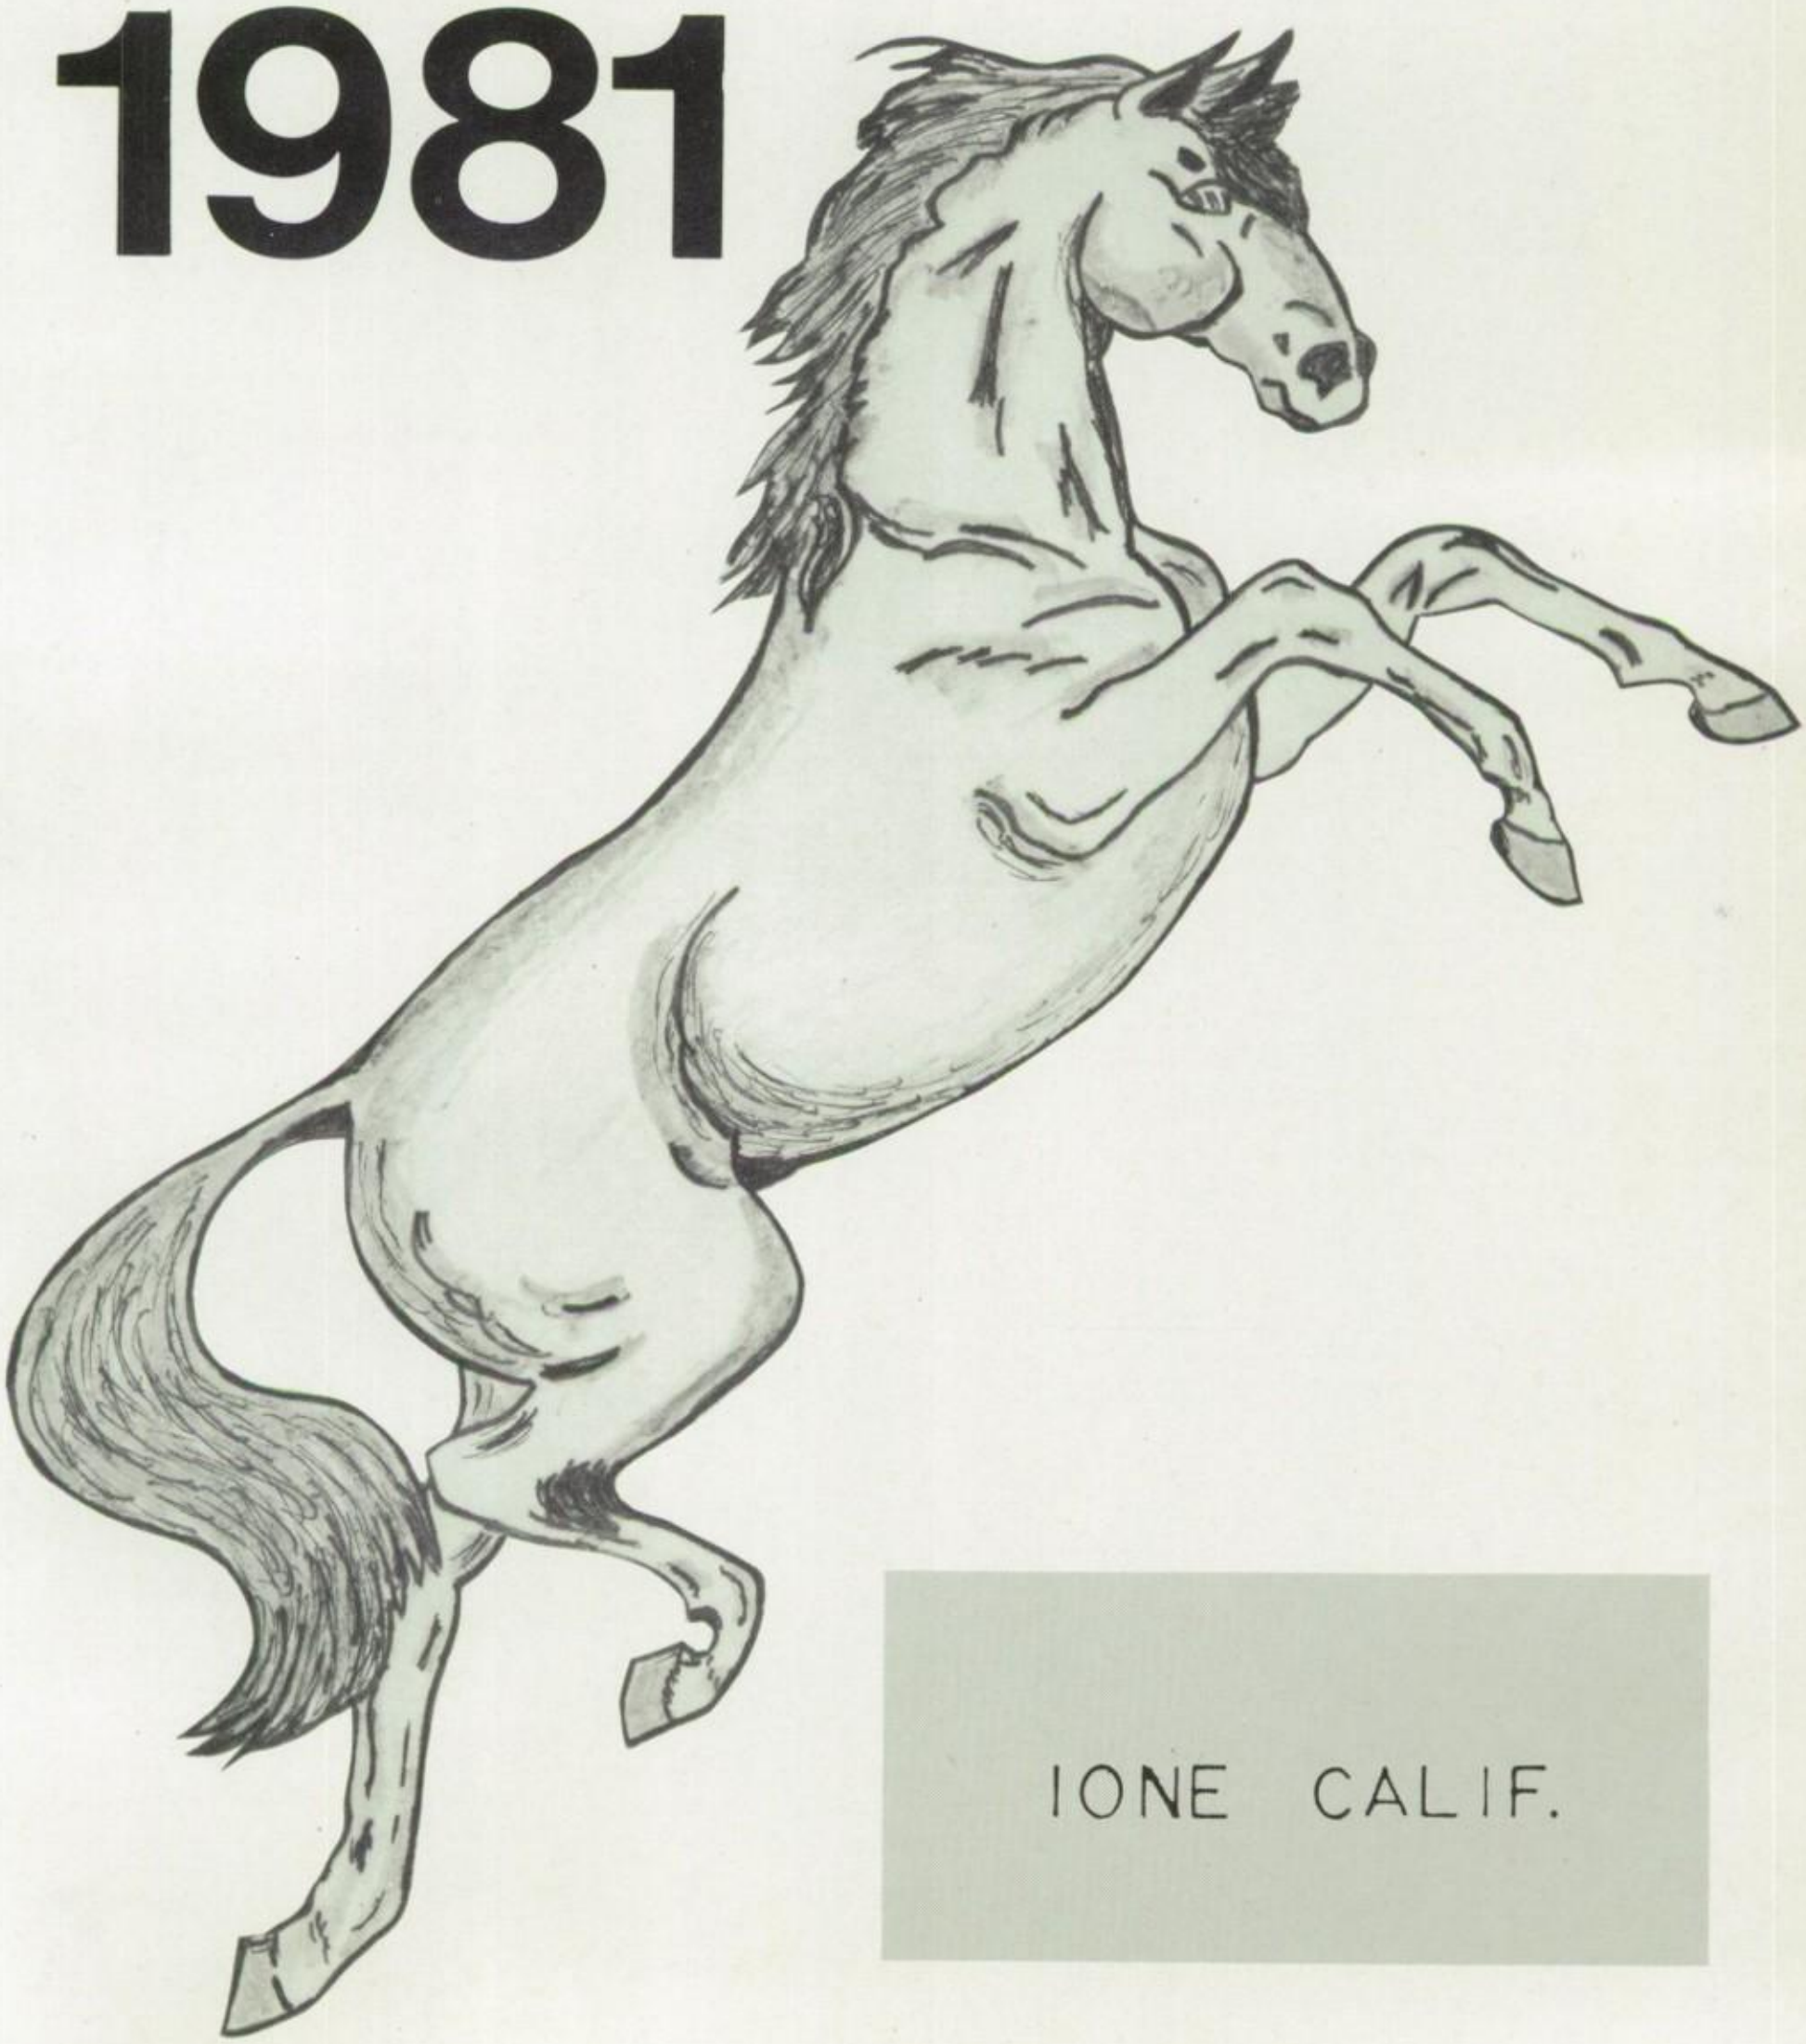
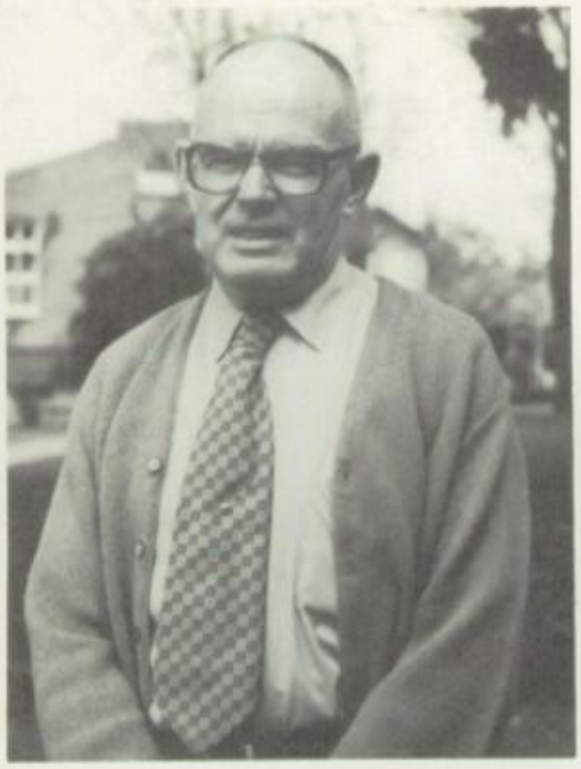
THE NUGGET

1981



IONE CALIF.



WE DEDICATE...

MR. EDWARD SHAVER

We, the Class of 1981, would like to dedicate our NUGGET to MR. and MRS. SHAVER. We were not fortunate enough to have them as teachers for our Senior year, but we still think of them a great deal.

They have devoted between them over 50 years of their lives to Ione High as teachers, advisors, counselors, and friends.

MRS. SHAVER: we miss your room full of plants and your smiling face on campus.

MR. SHAVER: we miss your five-minute, timed writings and, well, yes, California Government. Somehow, you made it bearable!

But, most of all, we would like you both to know that, for three years, you have helped us become wiser and more self-reliant people. For this, we thank you and will always remember you.

MRS. ALICE SHAVER

Principal's Message

After twelve years of education, the graduating class of 1981 is preparing to start a new direction. Many students will further their education by going to college or technical school, and others will start a new job. My sincerest wish for the graduates is that they will be happy and successful in their goals for the future.

This school year, the students saw a new teacher, Miss Judy Hardman, who taught physical education and English and was a successful coach in volleyball, basketball, and softball. Miss Hardman has helped to make competitive girls' teams for Ione High School.

Last school year, the total school—students, faculty, and staff—was involved in the preparation for and the three-day visit of a committee from the Western Association of Schools and Colleges (WASC) to evaluate the school's programs. It was not until the summer of 1980 when the school was honored with a six year accreditation, the maximum possible. This achievement reflects the quality of education the students receive at Ione High School as it prepares the graduates for their new roles in life.

Dr. Darrell W. Hallas

President's Message

Over the last four years as a member of the Ione High Student Body, I have seen many things: a deep pride in our school, wonderful personalities, and a growing spirit of loyalty. The latter is the one I am the most glad to have witnessed, because it signals a new time for us.

The 1980's look bright for Ione High School. Although we have seen great teachers leave us, we have also received promising new instructors. The times are changing, but I am happy to say that Ione High School is changing with it—and for the better. This is the beginning of a new decade and a new Ione High.

I give my greatest thanks to the faculty and the Student Body for their aid and support in making 1980-81 a terrific year.

Meeting before school each Thurday morning, the Student Council of 1980-1981 has been a successful one. Its efforts have included the final stages of installing the new athletic sign downtown, the updating of the school constitution, and the purchase of a large popcorn-maker that will benefit both the high school and the elementary school in the future.

After the Big Game, the traditional Homecoming Dance echoed from the high school gym from 9:00 to 12:00 on October 11, 1980. With music provided by Loren Bamert, couples danced to a stereo disco beat under the multi-colored bunting decorating the entire room. Honored for the evening were the football teams and the homecoming court of princesses. Crowned 1980 Queen at half time of the varsity game was ANNETTE LYMAN. Her court included varsity player escorts and Princesses: SHERRY MOSES, TRINA SEARCY, AND CINNIE TANGE.

Homecoming Dance

Starting at 6:00 p.m. on Friday evening, October 11, 1980, the Homecoming Game was played before about 150 chilly fans at the field at Amador High School. It was Ione's only home night game under the lights for the season, with Menlo High School from the Bay Area as the visiting team.

The school athletes sponsored both the Homecoming Dance in the fall and Sweetheart Swing in February. Additional fund raising activities included bake sales and the answering of elementary school children's Letters to Santa Claus. Block I's big activity for the year was its dunking booth the first weekend in May at the Alumni Homecoming. New members who had earned at least 200 athletic points "volunteered" as targets for the baseball throwers.

The local chapter of the Future Homemakers of America had a quick start in the year by having two fund raising events. The first fall event was a bake sale held at Roy's Top Value Market, while the second was a stitchery party mid-week in the evening in the home economics room.

Plans were completed also to attend the F.H.A. state convention held in the spring at the Red Lion Inn in Sacramento.

At the concession stand at girls' basketball games, the members of the Science Club raised enough money to donate an annual contribution to the American Cancer Society and to fund a small scholarship. Their weekend outing this year was April 24-6 at Bodega Bay.

C.S.F. TRIP

It was a clear, crisp Tuesday before Thanksgiving (Nov. 25, 1980) as eleven CSF'ers moved out in cars for their fall field day. The highlight of the trip was a day in San Francisco with a stop for lunch at Muir Woods. Then, it was across the Golden Gate Bridge for a tour of the battlements at Fort Point under the bridge. Next, a cable car trip to downtown ended with a shopping spree around Union Square. The day ended with a Chinese meal at Pier 39 overlooking the reflecting waters of San Francisco Bay.

C.S.F.

As a fund raiser for the C.S.F.'ers' fall trip to San Francisco, a bake sale of holiday goodies was held at Roy's Market. In the spring the 14 member club camped for a weekend at Yosemite. The money for this trip and for the local C.S.F. scholarship was earned from raffling a latch hook rug, selling concessions at baseball games, and serving at a crab and spaghetti dinner.

The FUTURE BUSINESS LEADERS OF AMERICA had a busy year. In March they went to a regional convention in Redding and in May to the state convention held in Sacramento. In order to raise money to attend these conventions, the members had bake sales, a garage sale, and they produced the school newspaper each month.

On a monthly basis, the club did a good deed for a member or members of the community, such as making Christmas cards for patients at Amador Hospital.

BAND

Participating in the Christmas Concert and the Spring Concert after Easter, the Mustang Band climaxed the year by strutting down Main Street during the 105th Homecoming Parade the first weekend in May. Meeting in a before-school period and also after dismissal at 2:20, the group did not adhere to the school's rotating schedule in 1980-81.

Friday evening, November 14, 1980, at the Elementary School All-Purpose Room was the opening night for two melodramas staged by the social studies classes and the Drama Club. The performances were repeated on Saturday.

"Her Heart Belongs to Heartburn", a play of villainy and skullduggery, according to the program, as well as "The Little Red Schoolhouse", a one-act comedy remembering the antics of teenagers of yesteryear, were performed by an enthusiastic troupe of actors and actresses under the joint direction of MR. GONSALVES and MR. CRAIN.

Pre-play entertainment was provided by GONZO, as the leader of an old fashion sing-a-long, with ALLES SEARCY at the piano for accompaniment. Backstage managers included JALENE FOLKMAN, KEN MACKEY, and DEBRA JENKS.

Bales of hay, a straw covered gymnasium, a clothelines of longjohns, and the taped music of Jim Guidi provided the atmosphere for the Senior sponsored fall dance held from 9:30 till Midnight on November 7, 1980. With forty couples in attendance, it was a Hee-Haw night.

Sponsored jointly by the Block I and the Spirit Club, the Valentine dance was festooned with red and white streamers. A scene from a rustic garden with a wooden swing formed the background for the portraits taken during the evening. Held in the high school gym from 8 p.m. till midnight on Wednesday, February 11, 1981, it was a gala send off for a five-day weekend. Music in a disco vein was supplied by Buzzi Bamert. Highlight of the evening was the crowning of the Sweetheart King and Queen.

FRENCH and SPANISH DINNER

MARDI GRAS was two days late in Ione on March 5, 1981. The foreign language classes feted themselves to a potluck dinner preceded by a treasurer hunt for stuffed animals and ending with the crushing of a candy-filled piñata. The menu included: soupe á l'oignon, tortillas con queso, salade aux crudites, tamales, enchiladas, champignons sautées, escargot, boeuf á Bourgogne, boeuf ã Tahiti, croissants, sopapillas, crêpes, tortes, mousse, and limonada.

1. What is on your fork? 2. I'll pass on that. 3. Want a bite? 4. Well, I guess the diet starts tomorrow. 5. I think I've had enough! 6. This is only my third time around. 7. Ready? Aim! Fire! 8. That a boy, Mark! 9. What's in my mouth? 10. Which way did it go? 11. No, you can't have my snail! 12. Dig in!

BASKETBALL GAME

DONKEY

A fund raiser for the Senior Class trip in June, the traditional Donkey Basketball Night dominated the gym on Saturday evening, January 24 in 1981. Pitting recent Alumni against the Seniors, each team fielded five riders who had to drag their mounts with them to retrieve loose balls and had to be astride a donkey to shoot scoring baskets. The final score was a romp over the Class of 1981: the tally, 46-26.

At a cost of $3,000, the yearbook staff has put together the 1981 NUGGET. Financed largely by the advertisements in the back of the book, the hard cover edition was distributed the last week of the school year. As school opened in the fall, a sixteen page supplement was given to the students. This supplement pictured events starting March 1 through the end of the school term on June 5. Printing was performed by the Herff-Jones Co. in Montgomery, Alabama.

Editor's Message

Working on the yearbook has been an exciting and rewarding experience for everyone. I wish to thank all those who had a part in making the 1981 NUGGET, all those hours spent at the counters in the counseling office, from "dummying" to "paste-up". You were all great to work with. I'd like especially to thank Mr. Wood for all the time and effort he has put into this book. Without him, it never would have happened. Finally, I would also like to wish lots of luck next year to Lynda Hatten, elected by the Class of 1982 as the next editor.

The big events for the Junior Class climax as the school year comes to an end. The week after Easter vacation was busy with decorating the gym for the Prom. Then, at Homecoming in May, there was the Ice Cream Booth at the Picnic Grounds to man. Finally, right after Baccalaureate on May 31, the Junior mothers prepared the traditional Junior-Senior Banquet.

The Sophomore year is a work time. Throughout football and basketball seasons, at least once a week Mrs. Larsen and her crew were serving up refreshments at the Snack Shack at athletic events. Another fund raiser was the class raffle, top prizes being a lamb and two hams. The class also showed its school spirit in sponsoring a pick-up day to rid the campus of trash. A rousing Shamrock Shuffle in March ended the busy year.
